

Purpose

To maintain clean, safe, healthy schools and board facilities and eliminate contaminants that affect children and adult health, performance and attendance.

Definitions

Green Cleaning Supplies – any cleaning supply that meet the certification requirements of any established nationally recognized independent third-party entity that certifies environmentally preferable products and adheres to consensus standards for lesser or reduced effects on human health and the environment when compared to competing products.

Policy Statement

Allegany County Public Schools shall comply with the Maryland Education Statute 5-112 as amended by HB 1019, Maryland Green Cleaning Schools which requires schools to purchase and use environmentally sensitive cleaning supplies in accordance with the State of Maryland Guidelines and for the Green Cleaning Schools Act.
