FILE: FG

Purpose

To identify the procedure for inspecting and accepting new school facilities

Definitions

N/A

Policy Statement

The Board of Education will tour and accept the new or renovated school facility based on the recommendation of the Superintendent of Schools once the facility is substantially complete.

Final payment for the new or renovated facility will be withheld from the contractor and architect until all details are complete and the building is certified as completed by the Public School Construction Program.

The Superintendent of Schools shall establish administrative procedures for appropriate dedication ceremonies that may be celebrated following completion and occupancy of a new school facilities project.
