Policy Statement

If a coach is ejected from a contest he/she must leave the area of the contest and shall not be visible to or have communication or visible contact with players, officials, spectators or school personnel until the contest is completed. If a coach is ejected from a contest they must notify the School's Athletic Director and the Supervisor of Athletics within 24 hours. A coach that is ejected from a contest is suspended from participation in the next contest. The suspended coach may not be on the premises of the contest, including the bleachers or adjacent areas. The coach may conduct practice with the team while serving the suspension.
