
Purpose

To define eligibility for students to attend Allegany County Public Schools.

Policy Statement

- A. The Board of Education ("Board") is committed to an efficient, effective, and consistent enrollment process for all eligible school-aged children.
- B. All qualified school-aged children, who have an established bona fide domicile in Allegany County, are to be admitted free of charge to Allegany County Public Schools ("ACPS").
- C. The Board understands that there are circumstances that exist where students who are not domiciled in Allegany County need to attend schools in Allegany County; therefore, issues of residency and the process for assessing and paying tuition must be clearly articulated. A nonresident school-aged child may not be enrolled in any Allegany County Public School without the authorization from the Superintendent or his/her designee.

This policy shall be effective July 1, 2025.
